## SUMMARY

---

Enthusiastic computer science graduate with a keen interest in front-end development, web design, UI/UX design, and graphic design. Eager to apply my skills and creativity in a challenging role where I can contribute to innovative projects and drive continuous growth. Committed to leveraging my knowledge to deliver exceptional user experiences and contribute effectively to the success of your organization.

## SKILLS

---

### Technical Skills:

- **Tools:** Figma, Adobe Suite (Photoshop and Illustrator), Canva, VS Code, Git, GitHub, ChatGPT, and Microsoft Office (Word, Excel, and PowerPoint)
- **Development:** HTML, CSS, Sass, TailwindCSS, Bootstrap, JavaScript, and Vue.js

### Soft Skills:

- Creativity, Flexibility, Adaptability, Time management, Teamwork, Problem-solving, and Attention to detail

### Area of Interest:

- Web Design, Web Development, Front-End Development, UI/UX Design, and Graphic Design

## WORK EXPERIENCE

---

### Web System Developer Intern - Land Registration Authority (April 2023 - June 2023)

- Designed and prototyped a system using Figma.
- Developed the system prototype using HTML, CSS, JavaScript, Chart.js, PHP, and MySQL.
- Collaborated with the co-intern team to assist in the seamless integration and migration of data.
- Imported and managed 20,000+ cases of data.
- Presented the system to supervisors and received recognition for reliability and thoroughness.
- Created and maintained comprehensive documentation, including technical specifications and user manuals.

## ACADEMIC PROJECTS

---

### Mobile Gamification of Preschoolers towards Learning Assessment for Gain Christian Academy

- Designed an extremely user-friendly interface for preschoolers.
- Created rank badges (Bronze, Silver, Gold, Platinum) for the ranking system.
- Assisted in developing the mobile game in Unity, implementing functionalities.

### Bank-O Application

- Designed and implemented a user-friendly interface for seamless navigation and transactions.
- Implemented core banking functionalities, including balance inquiries, fund transfers, and transaction history retrieval.

## EDUCATION

---

### Bachelor of Science in Computer Science | Eulogio "Amang" Rodriguez Institute of Science and Technology (2019 - 2023)

- Academic achiever for the first semester AY 2021 - 2022.

### Information Communication Technology - TVL Track | San Francisco High School (2017 - 2019)

- Grade 12 completer with honors.

## CERTIFICATION

---

- Web Development Level II, TESDA - 2019
- Creative Web Design Level II, TESDA - 2019
- UI/UX Design and Web Development for Optimal Performance, Beyond Aesthetics - 2023
- HTML, CSS, & JavaScript for Beginners, Udemy - 2023
- HTML, CSS, & Bootstrap, Udemy - 2023
- UI/UX for Beginners, Great Learning Academy - 2023
- Introduction to Graphic Design, Basics of UI/UX, Simplilearn | SkillUp - 2024
- Introduction to Visual Graphic Design, TESDA - 2024
- Developing Design for User Interface, TESDA - 2024
